Yields, Estate Cabernet Parcels:
43 tons from 16 acres

2022 Estate Cabernet Sauvignon, bottled 7/24
 A dry, mild winter resulted in limited yields, and a warm summer ripened the small crop evenly. On Labor Day, an intense heat wave accelerated ripening for an early harvest. The wine showed appealing fruit and firm tannins. In tasting, the wines most typical of the Estate style were selected. This excellent vintage was barrel-aged for an extended twenty-two months to fully integrate the tannins. Enjoyable now, it will reach full maturity in ten to fifteen years. TG (4/24)

Ingredients: Hand-harvested, organic, estate grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂.
