**2023 Estate Chardonnay, bottled 1/2025**  
This year stands out as one of the longest and coolest growing seasons in recent years. A drawn out harvest resulted in a wine that preserves varietal character while promoting the mineral and citrus accents typical of the vineyard. After barrel fermentation, the wine spent a further nine months on the lees. Enjoyable now, this mountain-grown chardonnay will evolve over the next eight years. JO (12/24)

Ingredients: Hand-harvested, organic, estate grown grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO<sub>2</sub>.
