2023 Geyserville, bottled February 2025
Heavy winter rains replenished groundwater. Moderate temperatures during the growing season were followed by cooler weather in August and September that pushed harvest late into October. The extended ripening period resulted in a wine with dark fruit and supple tannins balanced by beautiful acidity. Enjoyable now, this classic field blend will continue to evolve over the next ten years.
JO (12/24)

Ingredients: Hand-harvested grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂.
